

In light of public health concerns related to COVID-19, Safe Alliance is doing everything possible to ensure survivors are supported. The 24/7 [Greater Charlotte Hope Line](tel:980-771-4673) (980-771-4673) remains available and ready to serve while Safe Alliance offices are closed for direct client services.

Through the Greater Charlotte Hope Line, survivors can access **all of our survivor support services** including safety planning; crisis intervention; advocacy; parenting support; Domestic Violence Protective Order (DVPO) preparation and legal support; shelter referrals for people in imminent danger; and more.

For the health and safety of our 120 residents and staff at the [Clyde & Ethel Dickson Domestic Violence Shelter](#), new residents are being limited to high lethality cases and volunteer activities have been temporarily suspended. Community members who are interested in supporting our clients during this uncertain time are encouraged to [make a donation](#) or participate virtually in [Walk a Mile in Her Shoes®](#), [Young Professionals](#), or [Men For Change](#).

Throughout this period of uncertainty, Safe Alliance **will continue the services necessary** to serve our clients and accomplish our mission: bringing hope and healing to those impacted by domestic violence and sexual assault.

Please [reach out to Caitlin Donley](#), Chief Advancement Officer, if you have any questions. We hope you and your family are staying well and taking care of yourselves during this unpredictable period.
